ONGOING TUTORING

Although the course is primarily a tool of self-reflection, it includes a permanent forum where participants are enabled to share their questions. Two webinars will be proposed along the path (first half of June and second half of July).

The screenshot shows the 'eduopen' platform interface. The top navigation bar includes 'Courses', 'Pathways', 'Masters', and 'Courseware'. The main content area is titled 'General' and features the 'digipass' logo. Below the logo, a message states: 'This course has been developed within the Erasmus+ Framework by the DIGIPASS Consortium, founded by the European Commission.' There are three main sections: 'Announcements', 'Contact the tutor', and 'This course belongs to a pathway'. A sidebar on the left shows a 'Course Index' with sections for '0. General', '1. What is Culture Shock?', and '2. Why do students experience it?'. At the bottom of the sidebar, it indicates '37 Enrolled Students' and dates 'May 7 2022' and 'Jul 31 2022'.
