

Co-funded by the
Erasmus+ Programme
of the European Union

European Campus of City-Universities

www.ec2u.eu

EC2U Ambition

Develop an **open and innovative** European campus allowing **enhanced mobility** for students and staff.

Develop **cooperation between cities** by involving academic communities, municipalities, regional authorities, socio-economic field actors, and citizens.

Act for the Sustainable Development Goals (SDGs) prescribed by the United Nations: **“Good health and Well-being”, “Quality Education”, and “Sustainable cities and communities”**.

EC2U is more than

160 000

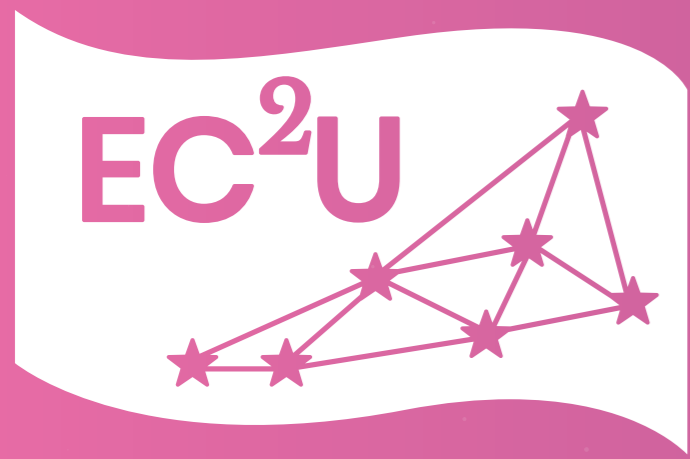

Students

20 000

Administrative staff, teachers, researchers

1 600 000

citizens

Living the student life

EVENTS

Enjoy cultural, sporting and scientific activities.

MOBILE APP

Explore EC2U universities through a mobile phone application.

MULTI-FUNCTIONAL SPACES

Benefit from tools and support for the realisation of your joint projects.

Mobilities!

Go every semester study at a different university from the EC2U campus.

Connecting education and research

EC2U Virtual Institutes are institutes «without physical walls»; their objective is to foster the rapid integration of **research** and/or **innovation** into **education** for the benefit of **society**.

KEY ACTIONS

Creating interdisciplinary teams of students, teachers and researchers.

Offering a wide range of short courses (internships, summer schools, workshops, conferences).

The first EC2U summer school took place in Romania in September 2021. 31 students took part in this training untitled "Smart ageing and healthy life".

«Informative, Useful, Enjoyable, Friendly, Exciting, Unforgettable»
a student from the University of Pavia.

Opening up to the professional world and to society

Acquire **transversal professional skills** thanks to the programme «**EC2U Career Plan Certificate.**»

Dare to be an **auto-entrepreneur** with the support and advice from the **Entrepreneurial Academy.**

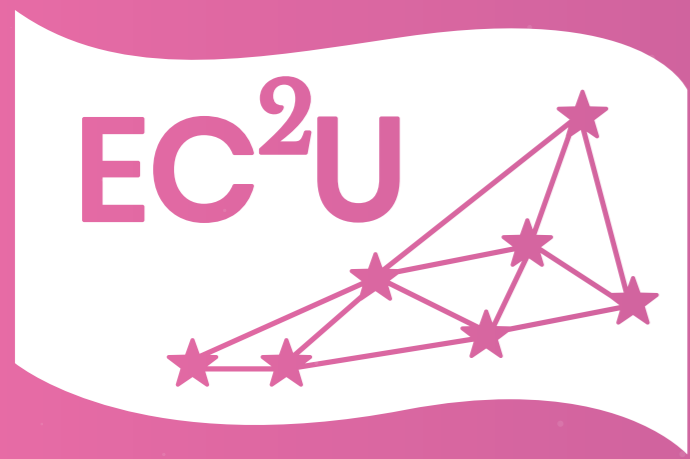

Engage with citizens and local stakeholders thanks to the **Think Tank** (meetings to exchange and find solutions to common challenges).

Zoom on...

To complete your CV, you can certify some transversal skills by obtaining open badges.

Joining a vibrant community

Our Forums are major convivial meetings: every 6 months, university teams, student delegations, associations and local authorities come together to **open a dialogue** on current societal issues and **encourage the sharing of good practices.**
