To whom it may concern

This is to certify that the University of Pavia provides adequate insurance cover for all students participating into official exchange mobility programs.

Here are the details of the insurance policies provided:

- CIVIL LIABILITY policy n. 178262860 stipulated with UNIPOL SAI ASSICURAZIONI which guarantees against damages for which the student should be held liable in relation to the institutional activity carried out by her/him (medical malpractice excluded).
- ACCIDENT policy n. 406392448 stipulated with AXA which provides suitable insurance coverage against accidents that the student may suffer in carrying out her/his institutional activities both during her/his stay on the university premises and in any other place, such as, for example, establishments, industrial or research laboratories, offices of other Universities and Research Institutes, for reasons of study, visits, experiments, and complementary activities, in compliance with the conditions set out in the policy.

In the event of an accident, limited to institutional activities, the insurance is extended to the reimbursement of expenses incurred for transport - by any means deemed suitable - to an equipped hospital in Italy up to a maximum of € 3,000.00, and, in the event of death, the reimbursement of the expenses for the repatriation of the body, duly documented, up to a maximum of € 7,500.00.
